

Your ready-to-use

**technical support** information.

Look inside! Keep this handy!

# Desktop Product Support Options

*Adobe® support options vary from country to country. Click the region name (see Bookmarks) for your country to find your product support options.*

## On-line support

---

Search **Adobe.com support pages** for troubleshooting information and tutorials, sign up for support announcements, participate in User to User forums; and submit feature requests and product issues.

## Phone support

---

**Register** the current versions of your eligible Adobe product and receive complimentary, person-to-person support on issues related to installation and product defects.

## Adobe Technical Support Programs

---

See Adobe Support pages about options to contact the people who know **Adobe products** best. Get peace of mind with technical support product issue, and how-to help directly from Adobe support professionals.

*Please note that Adobe reserves the right to make changes to support offerings without notice.*
